

A05

Auto adjuster and parking brake

This diagram shows an exploded view of a mechanical assembly. The components are numbered 1 through 13. The main assembly consists of a central orange-colored housing (1) with a large circular opening. A large, curved, reddish-brown component (4) is positioned to the right. A smaller, cylindrical component (3) is shown above the main assembly. A yellow, wedge-shaped component (9) is positioned inside the main housing. A blue, coiled spring (10) is shown at the bottom left. A small, blue, rectangular component (11) is shown below the spring. A small, blue, rectangular component (7) is shown below the main housing. A small, blue, rectangular component (8) is shown below the main housing. A small, blue, rectangular component (12) is shown above the main housing. A small, blue, rectangular component (13) is shown above the main housing. A small, blue, rectangular component (5) is shown to the left of the main housing. A small, blue, rectangular component (6) is shown to the left of the main housing. A small, blue, rectangular component (2) is shown to the right of the main housing. A small, blue, rectangular component (1) is shown to the right of the main housing.

Auto adjuster and parking brake

This exploded view diagram illustrates the components of a rear wheel assembly, numbered 1 through 19. The components include:

- 1**: A small red pin or clip located at the top of the hub.
- 2**: A small yellow pin or clip located near the top of the hub.
- 3**: A red curved brake shoe component.
- 4**: A black cylindrical component, likely a hub or axle nut.
- 5**: A yellow pin or clip.
- 6**: A red curved brake shoe component.
- 7**: A red curved brake shoe component.
- 8**: A yellow pin or clip.
- 9**: A yellow pin or clip.
- 10**: A yellow pin or clip.
- 11**: A blue pin or clip.
- 12**: A red spring component.
- 13**: A yellow pin or clip.
- 14**: A yellow pin or clip.
- 15**: A yellow pin or clip.
- 16**: A red curved brake shoe component.
- 17**: A silver metal bracket or arm.
- 18**: A yellow metal bracket or arm.
- 19**: A green electrical connector or sensor.
